**RESIDENTIAL PROPERTY MANAGEMENT
DEBT RECOVERY**

RECRUITMENT OPEN EVENING

Did you know, Brethertons is the UK's fastest growing leasehold recoveries specialist? We help the country's biggest and most prestigious landlords recover ground rent and service charge debts.

We have a variety of new roles. Experience in a Residential Property Management field would suit some roles. Debt recovery experience is the key to success in others. Either way, these roles offer an exciting opportunity to be part of our successful team.

Would you like to work in a team that is at the forefront of their industry and recognised for their quality of service across the country?

To find out more about being part of this growing team and work at our award-winning firm, come along to our Open Evening on Thursday 26th June. To book an appointment, please call Lesley Mates on 01295 661418.
